Tailor-made group courses

INTO can often develop tailor-made group courses based on your specific requirements. Please contact us to see if we can develop a programme that fits your requirements. The programmes below offer some suggestions.

**STUDY TOURS**
Study tours provide an excellent opportunity to visit different INTO centres and experience university campus life. It will then help you and other group members decide whether you would like to enrol there as a long-term academic student.

A study tour usually involves visits to two or three centres where you will have the opportunity to:
- meet current students
- visit various departments
- participate in guest lectures from university or INTO faculty

A typical timetable will involve General English classes in the morning, with a social programme/sightseeing schedule in the afternoon.

**UNIVERSITY GROUPS**
Every year we host many groups from universities around the world, and many of them find that a university campus is the perfect environment for their course.

Most groups come for two to four weeks, and while the majority study General English, we can develop custom course content should you require it.

**GOVERNMENT-SPONSORED GROUPS**
We have expertise at developing custom-made groups for government departments, ministries and diplomatic missions, and are familiar with their special requirements.

Sponsored groups often have special requirements with regard to:
- student reporting
- testing and certification
- course content
- operational areas

INTO Giving: build your employability and make new friends

INTO Giving is a UK registered charity helping educate some of the world’s poorest children. When you get involved in your INTO Centre’s INTO Giving activities, you can make new friends and build your networks and improve your employability skills. You can show how much you care about helping educate some of the world’s poorest children by choosing an amount you would like to donate and have added to your invoice/financial statement. For every penny you donate, INTO will donate another: penny for penny, pound for pound.

£22 [ ] £35 [ ] £50 [ ]

YES, I am happy to receive INTO Giving project updates and newsletter by email.
We’re delighted that you have chosen INTO and look forward to seeing you develop new friendships and your employability grow.

More and more, employers will look not only at your academic achievements, but also at who you are as a person. Being involved with a charity is a great way to show employers that you know how to be a part of or even lead a team, that you’re prepared to take on new challenges, and that you have a strong heart.

It’s also a great way to meet new people, have fun and make friends.

As part of our commitment towards education, INTO supports INTO Giving, a charity that improves access to and the quality of education for some of the world’s poorest children. When these children go to school and learn, they, like you, are empowered to transform their lives and their community.

Donating an amount of your own choice - whether it’s £22 or £35, or £50 - to INTO Giving is a great way to begin your INTO experience. Your donation, whatever the amount, will transform children’s lives.

On your application form you can opt to donate to INTO Giving. Every penny you donate will go to INTO Giving educational projects across the world.

For more information on how you can get involved with INTO Giving, please visit www.into-giving.com
